Wayne County Community College District

COURSE SYLLABUS

HMD 140 Hemodialysis Patient Care Management

CREDIT HOURS: 3.00

CONTACT HOURS: 45.00

COURSE DESCRIPTION:
This course describes at least four conditions that often occur due to kidney failure. Students will discuss the treatment options for kidney failure. They will identify members of the care team and discuss the communication skills dialysis team members use while working with the patients. Also describe the goal of rehabilitation and the Hemodialysis Patient care Specialist's role in it. Hemodialysis patients' nutrition, patients' cope and education including patient self-management and the importance of hope will be discussed.

PREREQUISITES:
None

EXPECTED COMPETENCIES:
Upon completion of this course, the student will be familiar with:
