COURSE SYLLABUS

NUR 114 OBSTETRIC NURSING

CREDIT HOURS: 3.00

CONTACT HOURS: 90.00

COURSE DESCRIPTION:

This course focuses on the application of the nursing process to the care of obstetric patient, the newborn, and the family unit in a variety of health care settings. The course also explores women's health across the life span. Emphasis is on the nursing student as a caregiver and the responsibilities this entails related to women's health. Use of evidence-based practice is integrated to provide the student with current trends to better facilitate the development of clinical reasoning skills. Content includes a focus on cultural and psychosocial influences in the care of diverse populations.

PREREQUISITE: ENG 119, BIO 155, BIO 240, BIO 250, BIO 295, PSY 101, NUR 110, NUR 118, NUR 112
