CRN#: 30246
Tuesdays, 6pm-8pm
2/25/13-6/25/13

If you teach the same course on different days and maybe at different campuses, use only one syllabus and include course information for both. See highlight area.

Course Description:

This hands-on course will introduce students to the art of scrapbooking. Students will learn how to crop and mount photographs using creativity, self-expression and basic design elements. Learn the fundamentals of page design and layout for various size albums. Popular techniques in embellishing and journaling will be demonstrated and practiced. The importance of using archival-quality products will also be discussed.

Course Objectives

- Upon completion of this class students will be able to:
 - 1.
 - 2.
 - 3.

Course Materials (provided by student – due by 2nd class):

- Scissors
- Basic Cardstock (choose several colors that are in your photos)
- Adhesive
- 4-6 photographs of one event
- Additional (optional) supplies will be discussed on the first day of class
