## DIVISION OF EDUCATIONAL AFFAIRS

### Completion Agenda 2020

The Completion Agenda embraces the need for students to make educated choices in their academic programs. Part of that process requires that all administrators and staff that help guide students in their academic pursuits be kept current about new programs and certificates. The Division of Educational Affairs will be meeting with each campus administration and their staff over the next several weeks, updating campus staff on these exciting new offerings. Corresponding program sheets will be provided and should prove helpful as students explore the numerous career opportunities available at WCCCD.

### Cross Discipline Collaboration: Early Childhood Education, Nursing, and Teacher Education

Faculty in the Early Childhood Education, Nursing and Teacher Education programs began the first in a series of conversations to learn about each other's programs, methods used for assessing how students are learning in their respective programs and identify common areas for supporting student learning outcomes.
