

Don't Give Up, Don't Give In Book Signing June 30, 2016

Charmed – A Young Lady’s Guide to Every Day Etiquette

Tameka Mongo and Karen Dumas, Media/ Communication Expert facilitated a hands-on etiquette program for young women ages 13- 17 years old at the Downtown Campus. The young women learned proper fine dining etiquette during a five course meal and effective communication strategies.

Information Technology Institute

ITI Outreach Featured Program

With today's global data breaches and identity theft occurring regularly, there is a need for highly skilled security professionals to combat cyber vulnerabilities. WCCCD's Information Technology Institute Cyber Security Program uses the right blend of hands-on training in a specialized computer lab to solve real-world problems.

Recruitment

Staff from the Division of Students Services participated in the Mix 92.3/iHeart Media Summer Solstice Party in Detroit's New Center Park.

Community Outreach

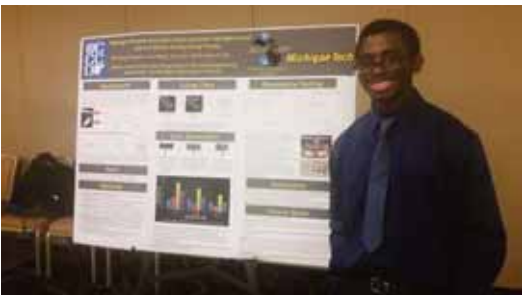

Staff represented the District at the Taylor Summer Festival.

Student Services staff provided educational information to community members at the St. John Providence Community Health 5th Annual "June-teenth Celebration."

Excellence in STEM!

This year, four WCCCD students attended the MI-CUP seven-week paid internship at Michigan Technological University (MTU). The MI-CUP Transfer Transition Program is a collaborative effort between WCCCD and MTU designed to encourage students to pursue careers in science, technology, engineering, and mathematics (STEM) fields.

Financial Aid Information

Financial Aid staff provided students and parents from Martin Luther King High School an overview of financial aid information.

Dual Enrollment Students in Summer Classes

Dual enrollment students participated in a campus tour of the Eastern Campus and began classes for the summer semester.

Website Committee

This week, members of the Website Committee met with Muna Khoury to discuss the design and content for the new Heinz C. Prechter Educational and Performing Arts Center page for the website.

- Common Functions
- Financial Aid Periods, Aid Periods, Academic Years

Afternoon

Funds Management and Awarding

- Period Based Budgeting
- Funds Management
- Packaging
- Packaging Communications, including Self-Service Resources
- Holds, Transfer Monitoring and Data Logging

Banner Training by Ellucian

Day Two

Topics Covered: Morning

- COD Grant Processing-Teach Grant, MRR
- Direct Loan Processing-Cumulative Maximum Error
- New Year Set up-Census and Parts of Term

Afternoon

- Satisfactory Academic Progress-SAP Calculation Process, Academic Plans
- Courses in Program and Degree Works
- Reconciliation Processing

Day Three

Topics Covered: Morning

- Banner Financial Aid Self-Service
- Banner Tips and Tricks

Afternoon

- Student Employment
- Return to Title IV
- Title IV Authorizations
- FISAP
- Gainful Employment

Michigan Institute for Public Safety Education

Elite Technical Services Training

The Michigan Institute for Public Safety Education (MIPSE) hosted Elite Technical Services Group, Inc. for a hands-on workshop on confined space training.

Downriver SWAT Team Training

MIPSE also hosted Downriver Mutual Aid SWAT Team for their annual repelling training.

Fire Tactics for Marathon Petroleum Emergency Response Team

MIPSE hosted training on fire tactics for the Marathon Petroleum Emergency Response Team. This training course consisted of classroom instruction and hands-on activities.

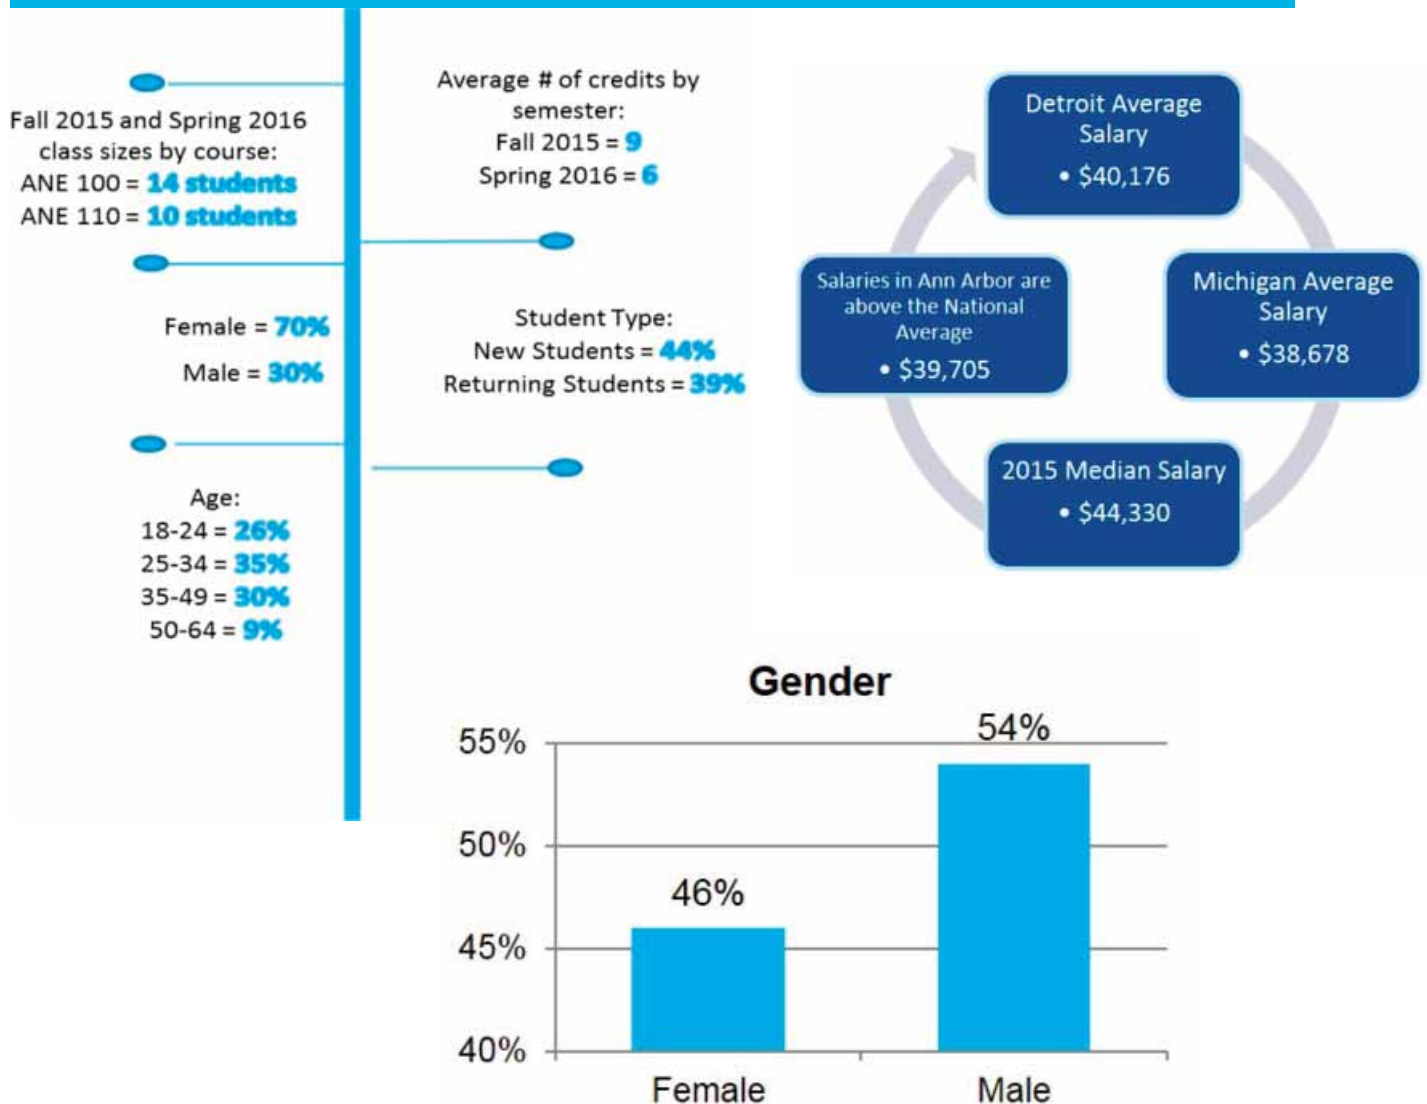

Division of Institutional Effectiveness

The Division of Institutional Effectiveness conducts scans on some of the fastest growing career fields to support program outcomes and measures. These findings support program development, improvement, and recruitment. Below you will find some examples of data points for the anesthesia technology industry in the region and WCCCD anesthesia technology students.

Anesthesia Technology Job Outlook = 15% (much faster than average)

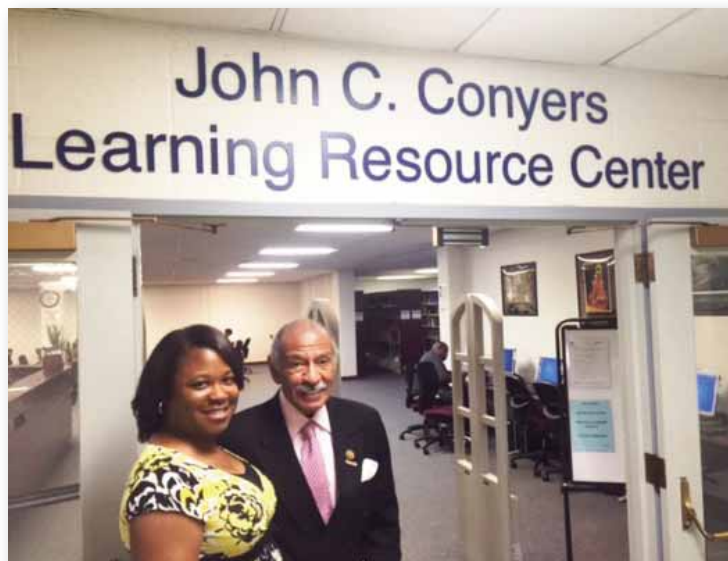

http://www.payscale.com/research/US/Job=Anesthesia_Technician/Hourly_Rate

<http://www.bls.gov/ooh/healthcare/surgical-technologists.htm>

Division of Educational Affairs

Congressman John Conyers Visits the Northwest Campus

Congressman John Conyers stopped by the Learning Resource Center at the Northwest Campus this week. He was excited to see the library, and the few mementos of himself on display. He also sat to talk to a few students.

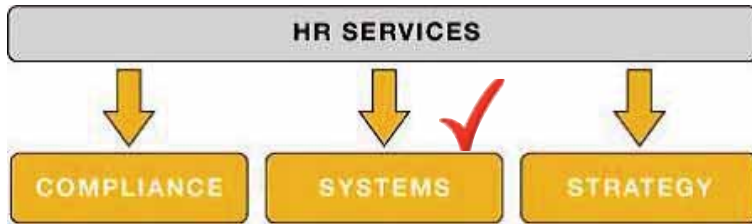

Distance Learning

Distance Learning conducted a web-enhanced Blackboard training session for faculty interested in teaching online. The web-enhanced training is the first of three steps to become certified to teach online at WCCCD.

Division of Human Resources

Faculty Assignment and Credential Review

As a continuous measure of compliance the Division of Human Resources (HR) is in the process of auditing faculty assignments and credentials. This practice assures that we are lock step with accrediting bodies, state and federal regulations. During this review the HR Team in collaboration with the Divisions of Administration and Finance and Educational Affairs seeks to verify the following:

- ✓ Official Transcripts
- ✓ Licensures
- ✓ Certifications
- ✓ Assignment
- ✓ Seniority Hours
- ✓ Load Compliance
- ✓ Approvals

Retirement Celebration

District Police Authority

College Police Best Practices

The District Police Authority members conducted a best practice visit at Virginia Tech University.

Mott Community College Visit

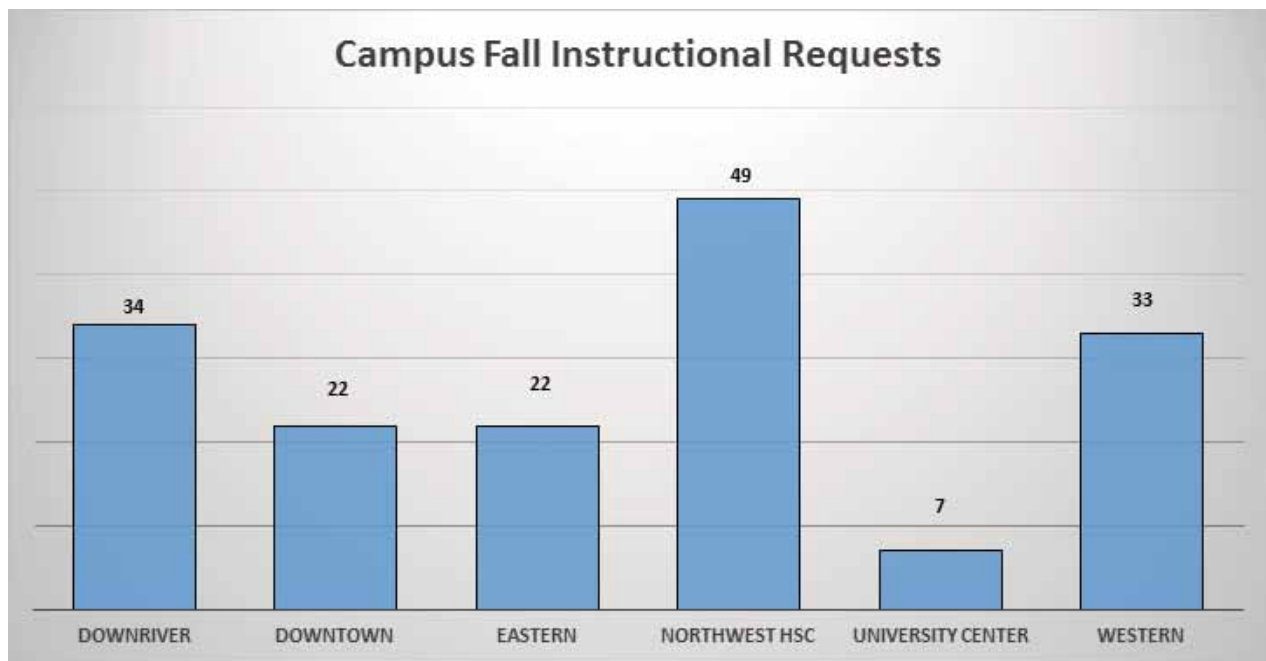

Staff and a student from Mott Community College recently conducted a best practice session at the District to review technological security operations.

The Office of Accountability and Transparency

Review and Reconciliation of Fall 2016-17 Instructional Requests

2015-2016 Requisition Reconciliation

The Office of Accountability and Transparency is currently working with the Division of Administration and Finance, Procurement, the Distribution Center and the campuses to review the 2015-2016 instructional and campus operation supply orders. The following data is collected to be verified, documented and reconciled:

- Appropriate approvals
- Documented requisition and purchase orders
- Approved vendors
- Receipt of supplies
- Supply delivery to campuses
- Consignment forms signed
- Signed invoices
- Vendor payment

Division of Administration and Finance

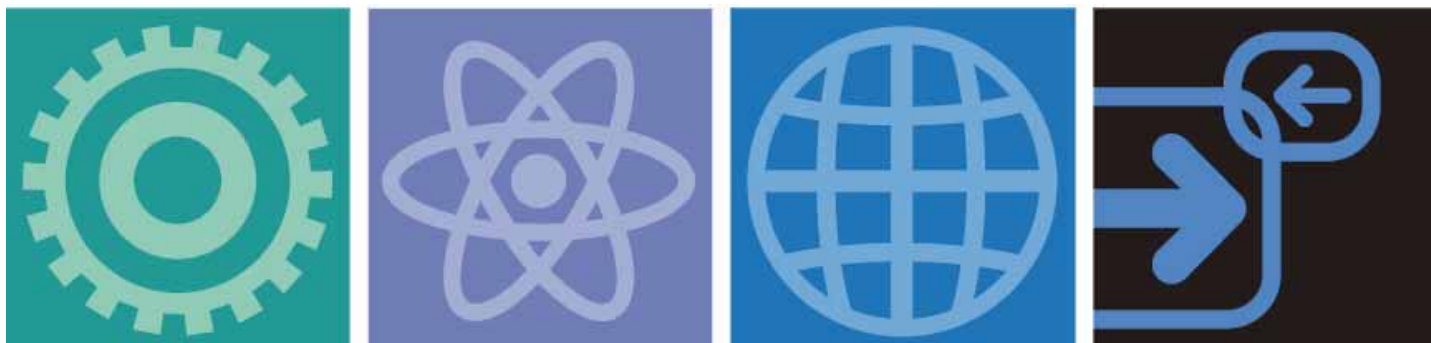

Patrick O'Harris, Associate Vice Chancellor of Fiscal and Instructional Accountability works closely with the Division of Educational Affairs in providing instructional desk copy materials each semester. He along with the procurement team are working diligently to ensure instructional supplies are delivered to the classrooms for the first day of class.

Division of Administration and Finance

Deferred Maintenance

School of Continuing Education and Workforce Development

Workforce Development Creating Partnership Opportunities, Building A Strong Workforce

Shawna Forbes and Jim Robinson met with the Ambassador Bridge executive team to discuss a new partnership with WCCCD's Regional Training Center, CenTra and the Teamsters to promote joint cooperation and commitment to provide truck driver training for hundreds of residents and students.

Ericka Warren represented the District at the 2016 Michigan Teen Conference, "Take Charge of Your Journey."

Shawna Forbes and Beverly Paddock met with Addie Langford of TechShop to discuss partnership opportunities on a variety of program offerings. TechShop is known as a playground for creativity, DIY workshop and a fabrication studio.

Dr. John Ray represented the District at Michigan Education Workforce Development Consortium (MEWDC) Meeting. The MEWDC works to develop talent pipelines of skilled and qualified applicants for critical, in-demand jobs in the energy industry.

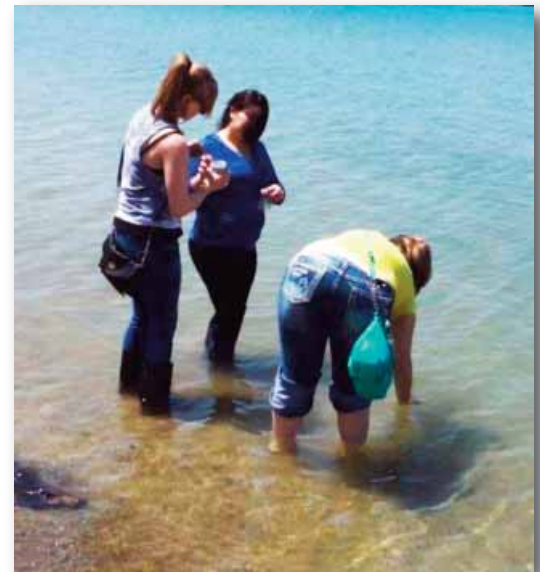

Multi-Campus District

Downtown Campus

Summer Water Research Project

Students from the Water Analysis Research Project have been examining the microbial and heavy metal levels in the Detroit River.

Michigan Welfare Rights

The Michigan Welfare Rights Organization celebrated their 50th anniversary by reflecting those steps taken by the many veteran advocates who have engaged the fight to end poverty.

ARISE Detroit

ARISE Detroit held a Blight Bootcamp workshop for local residents. Participants were given information on resources to increase community led blight eliminations projects. Topics included technical tools to assist with the fight; how to educate and engage community members in the process of blight elimination.

Multi-Campus District

Northwest Campus

Community Engagement

The Northwest Campus hosted the 2016 graduation ceremony for Pathways Academy. Pathways Academy is a public charter school in Detroit, Michigan, that serves students in grades 7-12, and is designed to prepare disconnected, vulnerable youth with options for adult living.

Multi-Campus District

Mary Ellen Stempfle University Center

Detroit Association of Realtors

The Mary Ellen Stempfle University Center-Center for Learning Technology hosted the Detroit Association of Realtors general membership meeting. Participants also received information on WCCCD's career programs and gained knowledge about educational opportunities.

Faculty Awareness Workshops

Faculty awareness workshops were held at the Mary Ellen Stempfle University Center-West with our university partners from Northwood University, Davenport University and Madonna University.

Humanities 101

Professor Muwzea took her Humanities 101, Visual Arts class to the Charles H. Wright Museum of African American History.

On the Move

...

Dr. Harvey Dorrah participated in the 2016-17 New Leadership Academy Fellows Program Institute at the University of Michigan, Ann Arbor.

Multi-Campus District

Western Campus

Boys to Men Conference

The Western Campus, in partnership with the National Christians in Action, hosted the 2016 Boys to Men Conference. This conference focused on developing leadership skills and mentoring opportunities for young men in impoverished areas of our community.

Edward Jones Financial Workshop

The Western Campus, in partnership with representatives from Edward Jones hosted a series of workshops to provide financial literacy in the areas of retirement planning, estate planning, tax planning and investment strategies.

CELEBRATE DIVERSITY

Intercultural Conversations

This week Robert Palmer from the Division of Administration and Finance gave a presentation on St. Martin, one of the Caribbean Islands. Darja, also from the Division of Administration and Finance spoke about the break up of Yugoslavia into Serbia, Bosnia, Croatia, Korsovo, Slovenia, Montenegro and Macedonia.

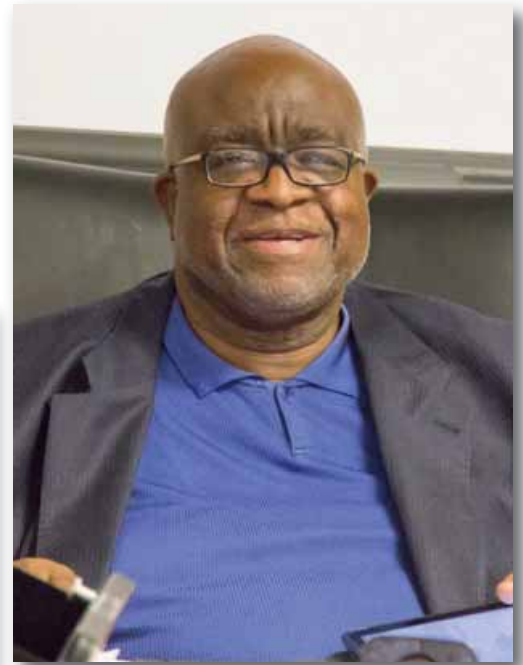

Intercultural Competency

The Eastern Campus hosted a Celebrating Diversity Workshop on Intercultural Competency. This week's project focused on gluing the Rhombicuboctahedron together. The glue represented the deep respect shown to colleagues in any project undertaken and requiring acceptance, tolerance and sensitivity, all three being components of intercultural competency when getting the job done.

District Alignment

Developing and implementing District-wide processes and structure that align with a multi-campus District has its challenges. I met with the District team of professionals, comprised of project leads from both the Chancellor's Office and the newly crafted District Campus Support Services office.

International Programs and Global Partnerships

The District had a visit from the Student and Exchange Visitor Program (SEVP) field representative, Jennifer Clair. Ms. Clair met with Bonike Odegbami and Tamara Pruitt to review student records and District information as entered in Student and Exchange Visitor Information System (SEVIS) as well as answer questions relating to SEVIS and the rules and regulations governing nonimmigrant students.

WCCCD Provides Scholarships to Champion Club

WCCCD partnered with the John Glenn High School Champions Club to help students attain their goals of graduating high school and attending college. WCCCD provided scholarships for the top performing students to attend WCCCD next year. Trustee Sharon P. Scott, Brian Singleton, and Mike Dotson handed out the scholarships at a special banquet for the students and their families.

Legislative Corner

Legislative Session Schedule

Both the House and Senate have adjourned officially until July 13, 2016 although it is likely that no further legislative action will take place until the August 2, 2016 primary election.

House Committee Approves Higher Education Changes

The House Committee on Education and the Workforce approved five higher education bills by unanimous consent. The bipartisan bills addressed areas ranging from consumer information and counseling for federal student aid borrowers, to FAFSA simplification and enhanced supports for Minority Serving Institutions.

Unemployment Rates Increased in Most Michigan Markets

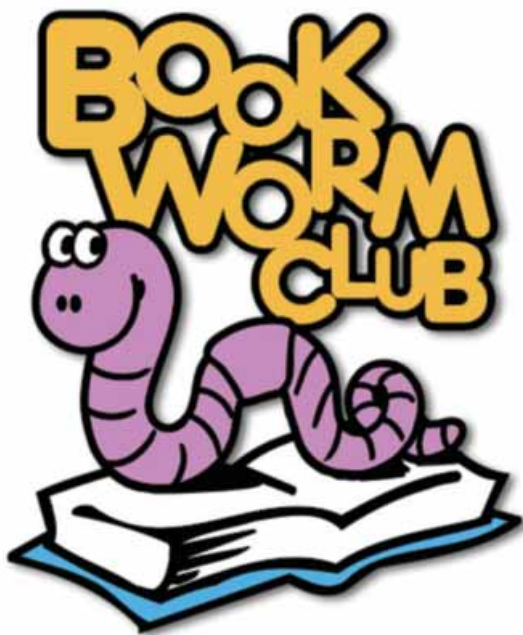

Seasonally unadjusted unemployment rates went up in most of Michigan's 17 labor markets in May, figures released by the Department of Technology, Management and Budget showed. The jobless rate went up in 12 of the markets, the department said, largely because more people got into the job market looking for seasonal work.

Michigan 40th in Nation for Childhood Education

According to a report by the Annie E. Casey Foundation, 71% of Michigan fourth-graders aren't proficient in reading, and 71% of eighth-graders aren't proficient in math. More than half of the state's young children aren't in preschool.

Mission

WCCCD's mission is to empower individuals, businesses and communities to achieve their goals through excellent and accessible services, culturally diverse experiences and globally competitive higher education and career advancement programs.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
