Division of Educational Affairs

Career Programs Pre-Mortuary Science

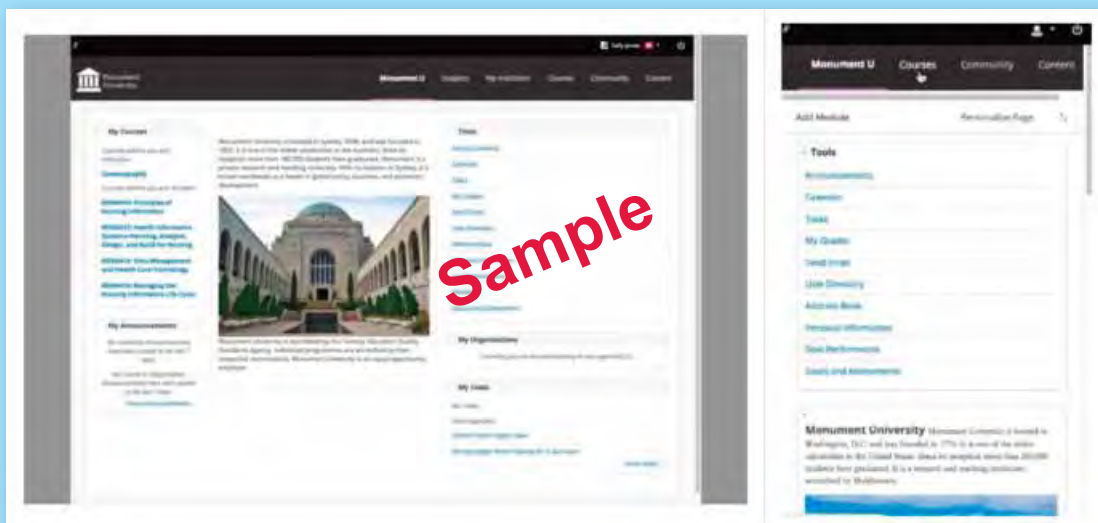

The recently signed articulation agreement with Wayne State University will facilitate the transfer of WCCCD students who earn an Associate of Applied Science degree in Pre-Mortuary Science to complete a Bachelor of Science in Mortuary Science from Wayne State University.

Students in Dr. Charmaine Johnson's Introduction to Early Childhood Education 101 course attended a teacher workshop at the Federal Reserve Bank. Kiddynamics is an economics curriculum for young learners designed as a set of lessons to introduce young children to the economic way of thinking.

Distance Learning: Blackboard Learn Enhancements

In efforts to improve on the consistency between platforms, Learn 2016 theme for Blackboard Learn is a modern version of the user interface that incorporates elements from the new design language including color, fonts, and spacing for greater consistency between Blackboard Learn, Collaborate, and the Blackboard app. This option improves the experience for mobile users. Instructors can locate this layout under the Customization link within their course.

Office of Accountability and Transparency

Continuous Quality Improvement

Compliance Review

The Office of Accountability and Transparency is conducting a review of Dual Enrollment and International Student files. The review will consist of the following:

- **International Students**
 - o State regulations
 - o Federal regulations
 - o Applications
 - o Registration
 - o Completed forms

- **Dual Enrollment Students**
 - o Applications
 - o Registration
 - o In-District/Out of District verification
 - o All fees
 - o Grades and completion

Fall into Healthy Eating Habits with Dr. Margaret Betts

As part of the Professional Development Series, the Division of Human Resources presented a workshop titled "Fall into Healthy Eating Habits" with Dr. Margaret Betts.

Dr. Margaret Betts

Division of Institutional Effectiveness

The Division of Institutional Effectiveness reviews national survey research trends to support the District with program offerings and services. For those students seeking entry into the paralegal field in Michigan, an associates degree or certificate in paralegal studies is required. Below you will find some samples of national and local data points in the paralegal field:

Projected Job Growth:

WCCCD Demographics of Paralegal Students Awarded a Degree in 2016-17

Females 71%
Average Age 40
Non-Traditional (25 or older) 71%

MI Paralegal Salary Info By Metro Area	Number Employed	Average Annual Salary
Ann Arbor	160	\$48,950
Detroit, Livonia, Dearborn	780	\$57,830
Grand Rapids, Wyoming	420	\$48,940
Warren, Troy, Farmington Hills	2,900	\$47,020

Michigan compares favorably to the national job growth rate. The employment numbers have already shown signs of growth experiencing a 12% increase in the number of paralegals and legal assistants employed in Michigan as reported by the U.S. Bureau of Labor Statistics from May 2011 to May 2014.

Assessment and Student Success Forum

The Northwest Campus hosted an Assessment and Student Success Forum where faculty and program leads interacted with Johnesa Hodge and Dr. Ella Davis. Participants collaborated on how the institution continues to use and maintain a culture of data-driven decisions in promoting and supporting student success.

Division of Human Resources

Health Benefits

Health Benefit Compliance Review

The Division of Human Resources is constantly reviewing, reconciling and auditing its processes, procedures and protocols to assure state and federal compliance. In preparation for the open enrollment period, the Division of Human Resources is currently reconciling their employee benefits plans.

Division of Administration and Finance

Fiscal Accountability Operations Center (FAOC) 3 Way Match Technique

The primary mission of the Fiscal Accountability Operations Center (FAOC) is to ensure all requisitions, payments and reimbursements are processed timely, accurately, and in compliance with District policy and federal and state regulations. FAOC utilizes a three-way match technique to assure that only valid and accurate vendor invoices are recorded and paid. This technique is critical to internal control processes and ensures payments and reimbursements are handled in a timely manner.

International Programs and Global Partnerships

As part of this professional development, eight student interns took part in an e-learning opportunity with the National Deaf Center with the goal of expanding their knowledge on topics related to supporting the postsecondary success of deaf students. All eight interns earned a "Certification of Training Completion."

Division of Administration and Finance

CRITICAL CONVERSATIONS

Critical Conversations Podcast

This week, we were pleased to have Tiffany Gunter, Interim CEO of the Regional Transit Authority of Southeast Michigan, as a guest on the WCCCD Critical Conversations Podcast. Ms. Gunter discussed the impact and future outlook of regional transit in our region.

Website Committee

The Website Committee convened its weekly meeting to discuss project updates, website update requests and the status of the Bi-Annual Website Review.

Con artists may construct fake social media accounts. If you feel suspicious about a profile or a person, trust your instincts. There are many con artists who create social media accounts to get close to others and get information from them. They may even claim to have gone to the same school you did or know other people that you know. If you feel suspicious at all about a person online, you should trust your instincts and block them.

Mission

WCCCD's mission is to empower individuals, businesses and communities to achieve their goals through excellent and accessible services, culturally diverse experiences and globally competitive higher education and career advancement programs.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
