Board of Trustees Meeting

September 20, 2017

Division of Student Services

The TRIO Transfer Program hosted an orientation to provide new and returning TRIO students information about its history, the transferring process, financial aid process, and supportive services offered.

Beginning October 1, 2017, students can begin completing their 2018-19 FAFSA. It's important to note that students should reference their 2016 taxes when indicating their income. Keeping this in mind will help with the timely processing of their account.

The Student Success Center is a comprehensive one-stop-shop for academic support services on campus. All of our programs and initiatives are free to WCCCD students.

WILDCAT TEAM PRIDE!

WCCCD cross country teams have another two weeks to prepare for their next meet which will be held at Kirtland Community College on September 29, 2017.

Other Team News:

WCCCD basketball teams are practicing at Northwest Activities Center getting ready for 2017-18 season.

WCCCD bowling teams will start practice next month at Oak Lanes Bowling.

WCCCD golf team will be playing in the Sam Kromer Invitational in Port Huron, MI sponsored by Saint Clair Community College. The Wildcats will compete against 11 other colleges and over 70 competitors.

Last week WCCCD golfer stand out Ahmad Reedus finished in 3rd place in individual scoring and the team finished overall in 5th place.

COLLEGE NIGHT

The Ted Scott Campus hosted more than 45 colleges, universities and representatives from the Armed Forces at the annual College Night.

Division of Student Services

Dual Enrollment

Dual enrollment students at Cornerstone High School received a orientation and tour of the Northwest Campus and the Health Science Center. Students were able to explore careers in pharmacy, nursing, and dental.

School of
Continuing Education &
Workforce Development
Wayne County Community College District

1967: WCCCD and the Detroit Rebellion Comparative Analysis Program

Dr. Claud Anderson

Bankole Thompson

Dr. Claud Anderson provided an academic forum where students, faculty, administrators, staff, civic leaders and the general public assembled to hear dialogue, and analytical conversation regarding WCCCD's 50th anniversary and the history of the Detroit 1967 riot. Bankole Thompson served as the moderator.

The School of Continuing Education and Workforce Development

Cybersecurity Training

The Cybersecurity Team welcomed Wesley Alvarez, Director of Academics for EC Council to meet with WCCCD staff to explore corporate training partnership opportunities on cybersecurity including certifications. EC Council is a leader in cybersecurity education operating in 145 countries, and has awarded over 200,000 cyber certifications.

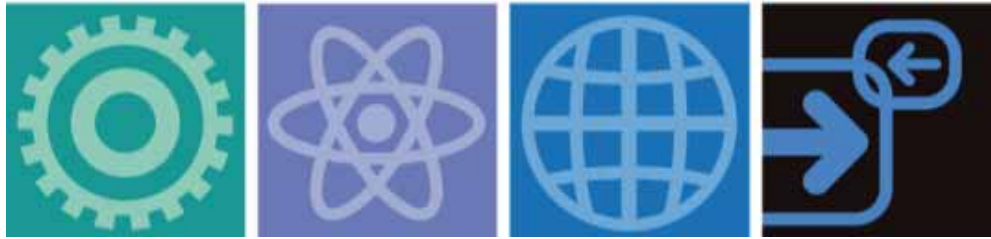

Workforce Development Walmart Grant Retail Management Certification

Business partner Busch's Fresh Food Market held its Blackboard Orientation training sessions at the Ted Scott Campus for our newly established cohort. This incumbent worker program supports Busch in identifying leaders and grooming them for upcoming management positions.

American Center for Mobility
CONNECTED. AUTOMATED. VALIDATED.

Shawna Forbes met with the Chief Innovation Officer of the American Center for Mobility to discuss workforce development initiative training in the area of connected and autonomous vehicles. The American Center for Mobility is a non-profit testing and product development facility for future mobility, designed to enable safe validation of connection and automated technology. Training will be delivered in collaboration with Macomb and Washtenaw Community Colleges.

The School of Continuing Education and Workforce Development

Helping the Community

Oneka Samet coordinated a backpack giveaway with our community partner, the Detroit Public Library Hubbard Branch. Students attending their after school workshop received a free backpack with school supplies courtesy of WCCCD.

Working Together

Drs. Harvey Dorrah, James Robinson and John Ray continue to collaborate and work together towards a shared vision in a time of change between the Divisions of Educational Affairs and Workforce Development.

Language Institute

Division of Educational Affairs

Exploring Arabic Culture

The Global Language and Culture Series presented students, staff, faculty and community an opportunity to explore the Arabic culture, language, architecture, lifestyle and food.

Exploring Scola

The Language Institute hosted this month's Coffee Hour entitled "Exploring Scola." Faculty members were introduced to the various resources that Scola has to offer.

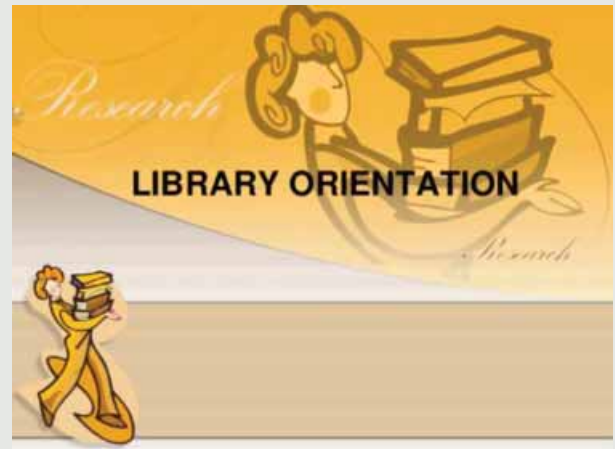

Division of Educational Affairs

Learning Resource Center

Each campus Learning Resource Center holds library orientations, by request of faculty. These orientations are typically 45-60 minutes long and are held within the LRCs for the individual class.

Distance Learning

Distance Learning began their two week online orientation with students of the Retail Management cohort with Romulus and Belleville High Schools. Students were instructed how to navigate through Blackboard and learned beneficial information about Distance Learning.

Division of Educational Affairs

Providing Individualized Support Services for Faculty

The Division of Educational Affairs, in concert with District Campus Support Services, supports faculty in all disciplines by being a resource to enhance critical reflection on teaching and developing innovative pedagogies and curriculum that strengthen connections between teaching and learning. Faculty frequently stop by to meet with the team for individualized support.

Electronic Faculty Selection

WCCCD continuously looks for ways to streamline processes through the use of technology. This week the Divisions of Educational Affairs and IT met to discuss the electronic faculty selection pilot project for the upcoming Spring 2018 semester.

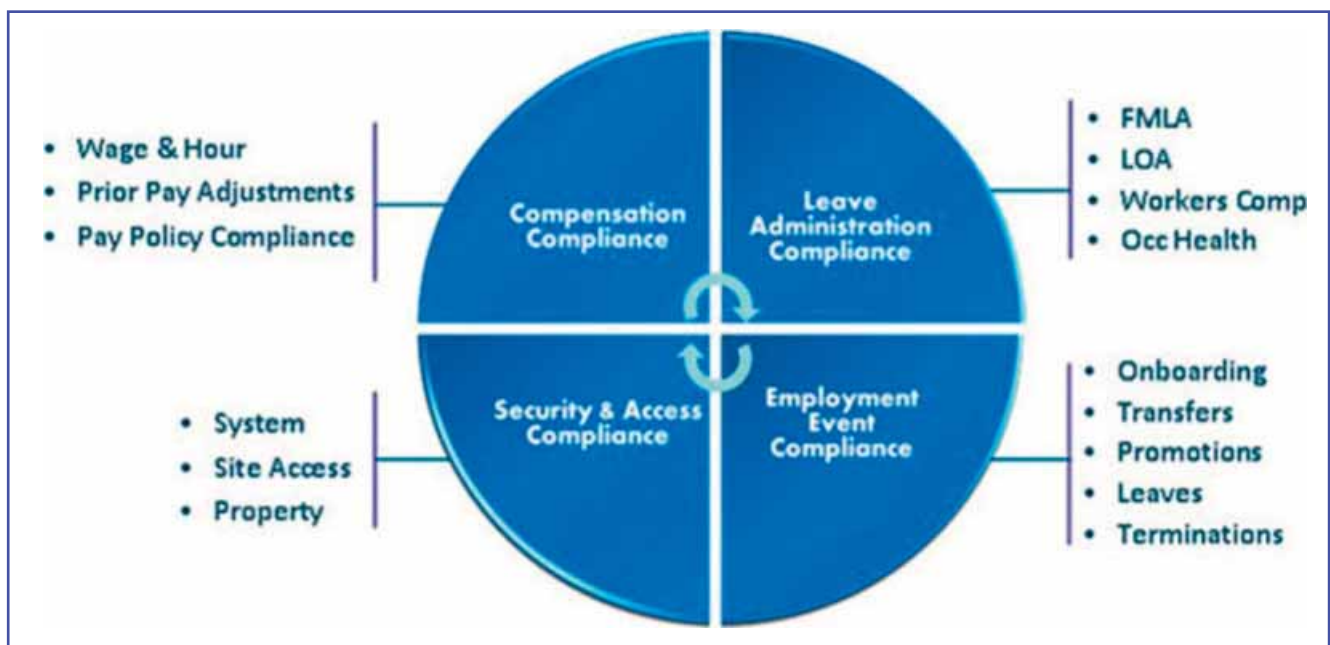

Division of Human Resources

Employee Records and Credential Review

As a continuous measure of compliance, the Division of Human Resources (HR) is in the process of auditing faculty assignments and credentials. This practice assures that we are in compliance with accrediting bodies, state and federal regulations. During this review the HR team in collaboration with the Divisions of Administration and Finance and Educational Affairs seeks to verify the following:

- Official transcripts
- Licensures
- Certifications
- Assignment
- Approvals
- Compensation and benefits
- W4 and I-9 requirements

District Police Authority

Closed Circuit Television Report

In an effort of continuous quality improvement, Captain Bahrija Livadic and Lieutenant Keiara Younger conduct a weekly closed circuit television (CCTV) maintenance to address any issues with the District-wide camera service.

Professional Excellence Writing Protocols Workshop

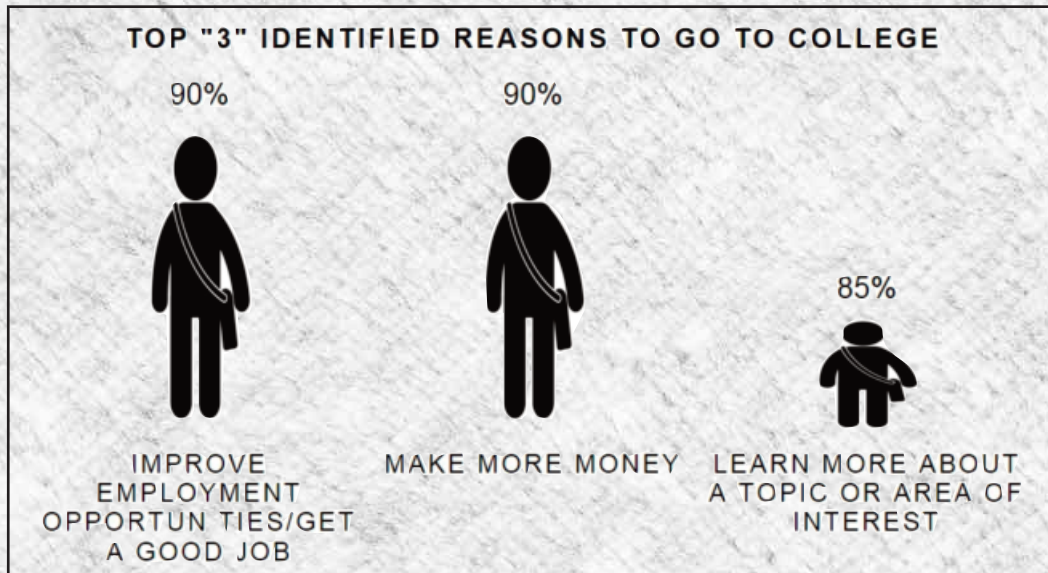

Chief Darrick Muhammad and Captain Bahrija Livadic attended "The Road Map to Professional Excellence Writing Protocols Workshop" with Sue Ellen Eisenberg. The workshop was presented by the Michigan Municipal Risk Management Authority.

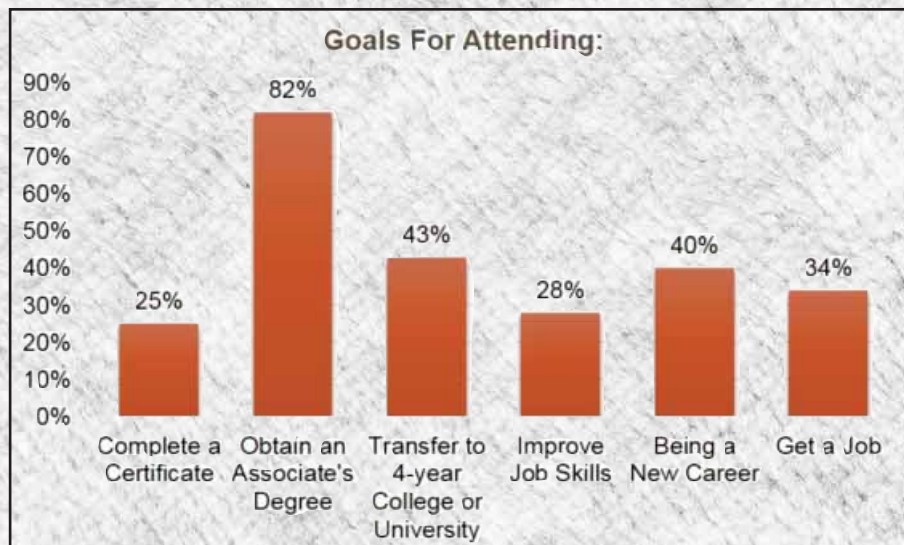

Division of Institutional Effectiveness

College Decisions: Deciding To Go To College

The Division of Institutional Effectiveness reviews national research to support programs and services. New America is a community think tank made up of scholars, policy experts, and journalists who address major social, economic, and political challenges in America. According to New America (who surveyed 1,011 U.S. prospective college students, ages 16-40) students identified their top reasons for attending college. Below you will find their top “three” reasons:

Every semester, the Division of Institutional Effectiveness implements the New Entering Student Experience Survey. Below you will find sample data from WCCCD’s Spring 2017 New-Entering Student Experience Survey.”

Happening Now: Video Management System Upgrade

Downriver Campus Camera Expansion Project Update

The team met with Anthony Arminiak and the vendor to finalize the location for the camera expansion project.

LOOK AHEAD!!

- Wiring scheduled to begin this week
- Camera installation and configuration to follow thereafter

IT Team Staff Meeting

Staff met to discuss a new initiative to ensure day-to-day operations are managed more effectively in a timely manner. The Priorities Meeting Initiative will occur weekly.

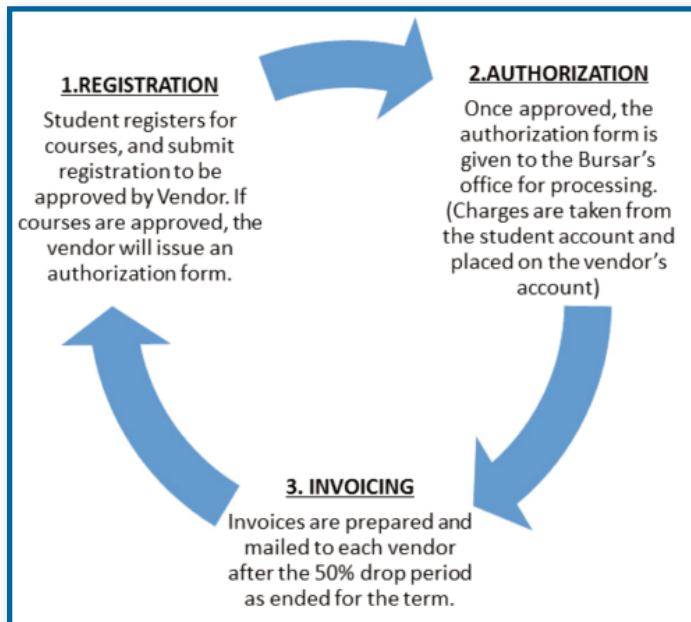

As part of an ongoing effort to promote technological advances, technical skills and knowledge building sessions, the Division of Information Technology held the third “Tech Talk” session that featured imaging, updates and patches on new operating system installation process.

Division of Administration and Finance

This week, the Bursar's Office is preparing to invoice all vendors participating this Fall 2017. The illustration to the left shows the process.

MPSERS Legislative Update

Public Act (PA) 92 of 2017 was signed into law on July 13. Some of the highlights of the plan are summarized below:

Option to Purchase Service Credit Ending September 29, 2017

❖ Active employees who were first hired before 7/1/10 will not be eligible for service credit purchase after 5pm EDT on 9/29/17. For members still interested in purchasing service credit a full payment for the amount of service they wish to buy or a fully completed TDP agreement must be received by the designated deadline date.

Enhanced contribution rates for employees part of the DC Plan

- ❖ Employers will begin mandatory contributions of 4% For DC participants hired since September 4, 2012 and all future DC participants.
- ❖ Employers will also match 100% of the contributions made by the employee up to a maximum of 3% beginning 02/1/18.

For a full summary of the plan please visit the ORS website below:

Information Technology Institute

Apple Program Development

The Information Technology Institute offered an interactive Swift workshop in partnership with Apple. Swift is a powerful and intuitive programming language for macOS, iOS, watchOS and tvOS. Apple programmers/developers claim that Swift code is safe by design, and also produces software that runs fast. Several CIS/IT faculty were excited to take advantage of the opportunity.

All About the Arts

Broadway – The American Musical Theatre

The Heinz C. Prechter Educational and Performing Arts Center presented the first installment of Karl Schmidt's "Broadway – The American Musical Theatre." Following last year's popular series on Film Scores, Karl mixes video clips into his lecture to take a historical look at an indigenous form of music.

Health Science Center

Health Science Open House

Staff from the Health Science Center presented an informational workshop on allied health programs at the Eastern Campus. This was an opportunity to meet with program deans, faculty and students from each of our programs. Participants learned first hand about our programs and explored the many career opportunities that they offer.

Surgical Technologist Week

Students celebrated National Surgical Tech Week. The theme was "Surgical Technologist: The Back Bone of the ER."

Welcome Future Dental Hygienists Class of 2019

The second year dental hygiene students gave a warm welcoming luncheon to the first year dental hygiene students, along with words of encouragement.

Michigan Institute for Public Safety Education

EMU Confined Space and Attendant

The Michigan Institute for Public Safety Education (MIPSE) hosted Eastern Michigan University's Confined Space and Attendant Training. The purpose of the training was to safely help those who must enter, operate in and evaluate confined spaces.

Detroit Fire Academy Training

MIPSE also hosted the Detroit Fire Department Training Division for their Fire Academy Training. Training included using various simulators, performing fire fighter duties, Self-Contained Breathing Apparatus (SCBA) challenge, and maze simulation.

Website Committee

Members of the Website Committee met with Yoseph Demissie to discuss processes, current projects and strategies to enhance website content management and functionality.

Want to Stay Safe on Social Media?

Skip the personal information!

Even though social media sites have spaces for you to enter your home address, phone number, email, etc., that doesn't mean you have to fill them out. If you need to share private information with someone, do it person-to-person rather than broadcasting to your network on social media.

<http://www.asecurelife.com/social-media-security/>

The Website Committee convened its weekly meeting to discuss update requests and current projects.

Office of Accountability and Transparency

The Office of Accountability and Transparency and the Division of Human Resources are reviewing the structure, alignment and compliance over the District's positions. The Position Control Report (PCR) ensures that guidelines are in place to generate budgeted positions to meet appropriate staffing levels. In order to provide operational structure, the PCR is reviewed on an ongoing basis bringing stability, service, safety and support for our staff, faculty and students. The PCR Audit Review entails the following:

- District-wide alignment
- Fiscal compliance
- Budgeted positions
- HR/Payroll reconciliation
- Position audit

Position Classification

Mission

WCCCD's mission is to empower individuals, businesses and communities to achieve their goals through excellent and accessible services, culturally diverse experiences and globally competitive higher education and career advancement programs.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
