

## WCCCD Partners with Mayo Clinic

The Northwest Campus hosted program directors from the non-profit medical practice research group of the Mayo Clinic. The directors toured the Health Science Center and met with students in the Surgical Technology, Surgical First Assistant, and Nursing programs.

# PANCAKES

## POLITICS

# Partnership Opportunities

Detroit Employment Solutions Corporation and the United Way Detroit Regional Workforce Fund toured the Northwest Campus Health Science Center and the Eastern Campus Regional Training Center Skilled Trades Program.

## WCCCD Honored at Alkebu-la Village's 40th Anniversary Celebration

I was one of the honorees at the Alkebu-la Village 40th Anniversary Awards Dinner at the Northwest Activities Center. The program, which drew an array of community leadership, strives to promote education, leadership, and community development.

# critical conversations

Our latest podcast featuring Dr. Larry Alexander, President and CEO of the Detroit Metro Convention and Visitors Bureau is now available on the college's website.

# Construction Update!

## Health and Wellness City Center

## Division of Student Services

The Northwest Campus hosted the Global Conversation Speaker Series featuring Wajahat Ali. Mr. Ali is a journalist, writer, lawyer, award-winning playwright, and consultant for the U.S. State Department.

## Federal Work Study Program Appreciation Luncheon- Downtown Campus

## Recruitment and Outreach

This week WCCCD visited multiple high schools for summer and fall admissions and registration opportunities.

- River Rouge
- Mumford
- Cornerstone
- Cass Tech
- Delta Prep
- Henry Ford
- Chandler Park Academy
- Western international

## Welcomes New River Rouge High School Principal

The Student Service Team welcomed Marty Bulger into his new role as principal of River Rouge High School.

## Commencement Ceremony- June 9, 2018

The Division of Student Services set up informational tables District-wide to assist student that are preparing to graduate.

## Outreach and Recruitment

The Dual Enrollment Team visited Cornerstone Health and Technology High School to provide students with an orientation into Smarthinking's online tutoring service.

The Outreach and Recruitment Team met with Western International High School's assistant principal to discuss the school's transition towards Engineering Mobility.

The Outreach and Recruitment Team attended Mumford High School's College Signing Day, which is one of the most anticipated days for high school seniors to declare their college of choice for Fall 2018.

## Welcome Lincoln Park Students to the Downriver Campus

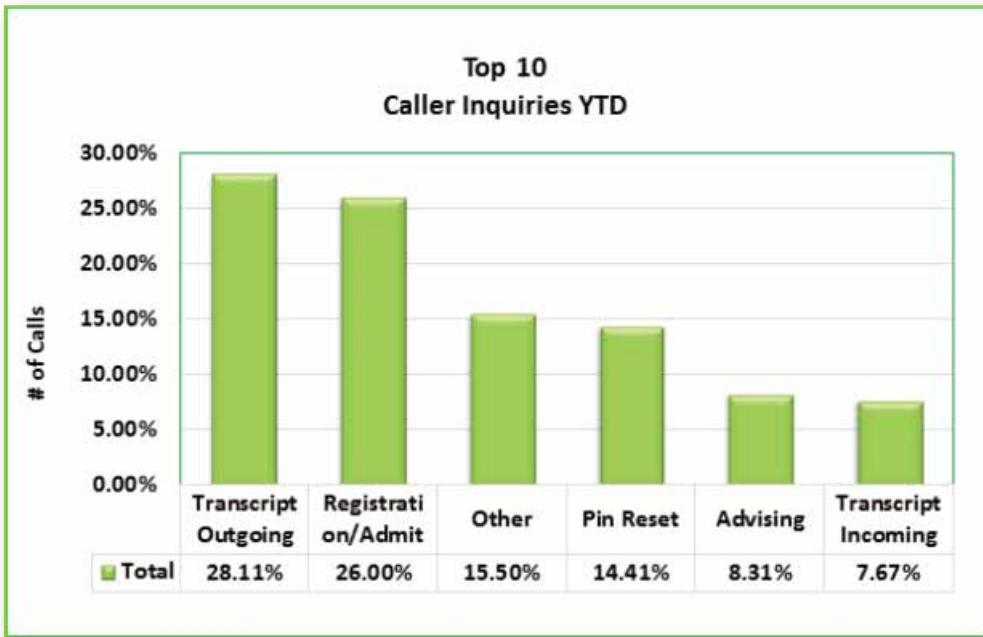

The Downriver Campus presented a Lincoln Park High School tour and information session. Students were provided information regarding admissions, registration, programs, short term certificates, and financial aid options.

## Advising and Orientation

In preparation for the 2018 Commencement Ceremony, staff from the Division of Student Services were available to answer questions at the Graduation Class Meeting held at the Ted Scott Campus.

During registration, the Division of Student Services manages various student inquiries on a daily basis. The chart reflects the “Top 6 Student Inquiries” for the Spring 2018 semester.

## Considine Outreach

Students enrolled in WCCCD’s Adult Education Program at the Little Rock Urban Institute participated in a workshop.

# Division of Student Services

## Student Activities

The Eastern Campus hosted the Trinity International Film Festival's Industry Night covering the film, music and fashion industries.

Chasidey Willis finished this season as the WCCCD Lady Wildcat's leading rebounder. She made 3rd Team All-Conference in her first season while holding down a 3.25 GPA.

**Beginner's Ballroom Dance**  
Downtown Campus

## Student Success

The Division of Student Services is working to improve customer service in the Admissions and Records Department. Additional phone lines and staffing were implemented to address the call volume based on call center data.

# Division of Educational Affairs

## Careers in STEM Symposium

WCCCD alumni, University of Michigan post-doctoral students and faculty presented information on research by students, partnership opportunities, and exciting fields associated with STEM.

## Instructional Manual Review

The Instructional Manual Taskforce conducted a final review of their draft prior to placing the document into use.

## History 261 Students

Professor Peter Boykin took his History 261(African-American History I) class to the Charles H. Wright Museum of African American History.

## Division of Educational Affairs

### Chancellor's 50th Faculty Innovations Distance Learning Taskforce

**Strategic Goals:** The goals of Distance Learning are to:

- Broaden access to student resources and services
- Maintain viable academic course offerings
- Develop a culture of collective responsibility for distance learning

### Information Technology Institute

ITI staff visited CIS classes to encourage students to register for the upcoming summer 2018 semester.

## Division of Educational Affairs

### Faculty Meetings and Engagement

Instructor Sharon Freed (Mathematics) met with staff to propose a new program offering in support of the Performing Arts audience.

Instructor A'Kena Benson Long (Speech – VL) met with CharMaine Hines to discuss professional development opportunities and resources for online instruction.

## The Global Language and Culture Series

The Global Language and Culture Series presented students, staff, faculty, and the community an exploration of the Japanese culture and language.

## Simulation Lab

The NUR114 Obstetric Nursing students participated in a scenario that mimicked a real post-partum hemorrhage crisis that occurs in the labor and delivery room of a hospital setting.

## Dental Travel Program Webinar

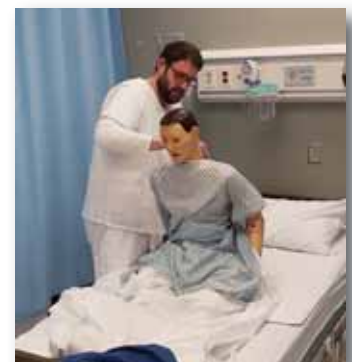

The Northwest Campus hosted Team Placement Inc. who introduced the "Traveling in Dentistry" webinar to our second year dental hygiene students.

Anesthesia Technology

Dental Lab

Nursing Lab

# PROFESSIONAL DEVELOPMENT

Captain Bahrija Livadic conducted a best practice visit at the University Nevada Las Vegas Police Department.

Dr. Fidelis D’Cunha visited with the diversity officers at Coventry University in Coventry, Kingston University in Epsom and three of the 38 colleges in Oxford, England.

Captain Bahrija Livadic also attended a “Dealing with the Toxic Officer” workshop.

The Higher Learning Commission’s Peer Reviewers are responsible for assuring that an institution is complying with the accreditation criteria as well as for helping an institution advance within the context of its own mission.

CharMaine Hines represented the District and participated in a recent professional development as a member of the Corp of Reviewers.

# Community College 201

The Community College 201 leadership class met to report on their class project of developing and implementing individual continuing education initiatives. They also discussed current developments in higher education that are in the news.

WCCCD celebrates with the Executive Women's International (EWI) on 50 year's of connections, careers and community. Our support to EWI enabled them to give scholarships to three WCCCD students.

Drs. Mecha Crockett and Paige Niehaus attended the Future of Information conversation with futurist Amy Webb at the Charles H. Wright Museum.

Jackie Grow and Muna Khoury attended the Michigan Celebrates Food and Agriculture Awards. They promoted the partnership between MSU and WCCCD's new horticulture programs.

Michael Poole attended the National School Board Association 2018 Annual Public Education Conference in San Antonio, Texas.

Dr. Abby Freeman and Anthony Arminiak attended the Higher Learning Commission Conference in Chicago, IL.

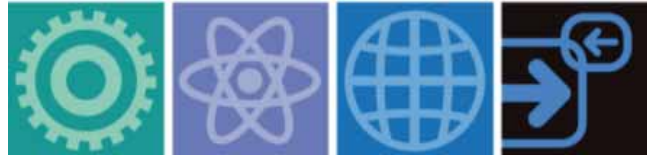

Anthony Arminiak and Dawn Piper attended the Senior Alliance Annual Meeting.

the **ARTS**  
*Experience*

In partnership with the Heinz C. Prechter Education and Performing Arts Center, the Ted Scott Campus hosted a special performance for elementary students in Romulus and Van Buren Public Schools.

# The School of Continuing Education and Workforce Development

## Supporting our Vulnerable Population Building a Support System with Vista Maria

Shawna Forbes and the SMART Team met with CEO of Vista Maria, Angela Aufdemberge, to discuss creating a partnership with WCCCD to help foster youth with supportive housing solutions.

## Skilled Trades Training Opportunities

The Workforce Team met with Councilman Roy McCalister, Jr. and members of his staff to discuss collaborating on opportunities for pre-apprenticeships, customized trainings and potential apprenticeships.

## Commercial Driver's License

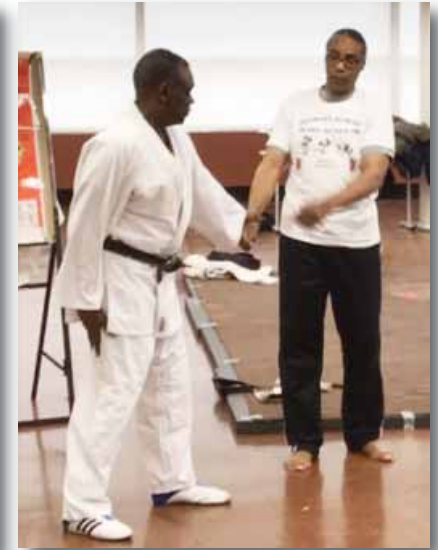

# WORKFORCE

Training & Development

*Training to elevate your workforce*

## Bomani Judo Academy

The Eastern Campus hosted Bomani Judo Academy for a workshop to teach participants how to protect themselves.

## American Academy of Professional Coders
