Office of Accountability and Transparency

The Continuous Quality Improvement Audit Center collects, reviews and conducts monthly reconciliations and on-going audits of all District data. A systematic approach is used to procure data from multiple sources, allowing for collective knowledge through accountability and transparency.

Web-Time Leave Process Review and Reconciliation

The Office of Accountability and Transparency is reviewing the process for District and campus staff web-time entry-leave. In accordance with the process and to ensure proper reconciliation, all requests must have the following approvals:

- Supervisor
- Campus president
- Vice chancellor

As a final measure, the Division of Human Resources uses a checklist to review web-time entries prior to the report being submitted to the Office of the Chancellor. The checklist consists of reviewing:

- Vacation requests
- Sick leave
- Personal time
- Approval signatures
- Division or campus location

Division of Administration and Finance

Fiscal Accountability with Travel

The District appreciates the efforts of those who travel on behalf of the District. The Division of Administration and Finance is committed to ensure the best possible use of the District's resources, cost-effective travel, and for prompt reimbursement of those expenses. Item not covered include:

- If travel does not involve an overnight stay
- When meals are complimentary, i.e. meals on planes or included with hotel room rate
- When meals are included in the conference registration fee
