

Sewing Training for Refugee and Immigrant Women

Wayne County Community College District's Fashion Design Program, in partnership with Cynthia Kahn, President of Refugee Nation, is training refugee and immigrant women in industrial sewing techniques at the Eastern Campus.

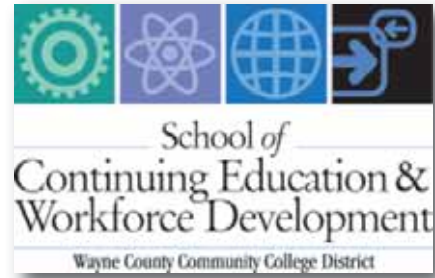

Chancellor's Community Luncheon

Chancellor's Community Luncheon

Virginia Tech: Dealing with Mass Casualty Threats

The District Police Authority presented a seminar titled “Virginia Tech: Dealing with Mass Casualty Threats.” Nationally renowned Virginia Tech Police Chief Kevin Foust addressed emerging issues in managing casualties on a college campus.

critical conversations

New Podcast Available!

Our latest podcast featuring Carla Walker-Miller, President and CEO of Walker-Miller Energy Services LLC, is now available on the District's website. Tune in and listen to our host Ed Clemente, and Ms. Walker-Miller talk about the importance of energy efficiency and how this initiative positively impacts Michigan's economic future.

“For a Better Life” Northwest Campus Style!

Welcoming Michigan

In partnership with the non-profit group Welcoming Michigan, the Ted Scott Campus hosted a conference providing information about immigration and the state of Michigan. Wayne County Executive Warren Evans welcomed the attendees followed by presenters from community groups and organizations.

Reimaging Student Services

Brian Singleton, Dr. Gunder Myran and Dr. Mecha Crockett met to discuss the student success agenda and began planning activities for reimaging student services and guided pathways.

Recruitment and Outreach

Staff from the Division of Student Services met with administrators from Harper Woods School District to discuss the opportunity to increase dual enrollment within their District.

Our students at Little Rock Urban Institute are geared up and ready for a better life!

Student Activities

Student Support and Engagement

TRIO students met and interacted with Dr. Lael Brainard, Federal Reserve Board Governor of the U.S. Federal Reserve System at the Detroit Economic Club luncheon.

- **Phi Theta Kappa** Orientation and scholarship application assistance is available at all six locations and began yesterday. Students should see an advisor at any campus. The Fall Scholarship Application deadline is November 15, 2018.
- **Student Executive Council** is accepting applications. Students should submit their application in the Campus Presidents Office.
- **MiCUP** - District Student Services is holding a Meet and Greet for MiCUP on September 26, 2018 at the Northwest Campus.
- Drs. Curtis Greene and Samer Hanna are excited to announce the American Chemical Society is now a student organization at WCCCD and they encourage chemistry students to join.

Division of Student Services

Dual Enrollment Students from Ecorse Community and Lincoln Park High Schools

Mike Dotson and Keri Wallace met with Romulus High School Early College Coordinator, Dr. Jaime Nelson to discuss upcoming changes to the program. Schedule updates and orientation planning were discussed to welcome the new Spring 2019 cohort.

Division of Educational Affairs

Learning Resource Center

Ronghua Luo conducted a library orientation for dual enrollment students at Flat Rock High School.

Library Sign-Up Week

The Downtown Campus LRC registered 36 students for a new library card.

Distance Learning: Not a Traditional Classroom

Online learning presents new challenges beyond those of a traditional classroom because students must become more responsible for their learning. Faculty are infusing strategies to help students thrive in an online learning environment.

Division of Educational Affairs

Criminal Justice's Internship Program

Students enrolled in the Criminal Justice Program participated in an informational session regarding internships to be held at University of Michigan's Division of Public Safety. Participants were given hiring information packets and held on-site interviews at the Downtown Campus.

**The Downriver Campus hosted the District's
EMT Program Advisory Committee meeting**

Division of Educational Affairs

Language Institute

Professor Nadir Muhsin and his Arabic 101 students visited the Language Institute to watch the Academy Award nominated film *Theeb*.

Professional Development for Faculty

English faculty attended Connect training at the Downtown Campus. Participants learned how the software will help engage students in the curriculum.

ENG 113 Field Trip

Professor L. Marie Lumpkin's ENG 113 class attended the Seventh Annual Prostate Cancer Symposium.

Division of Human Resources

HR Compliance: Faculty Assignment Audit and Reconciliation

The Division of Human Resources is conducting a comprehensive Fall 2018 Faculty Assignment Audit. The team reviewed all assignments for qualifications, seniority, credentials, location, signatures, and approvals. This process is critical protocol towards assuring that we are transparent and compliant.

Federal College Work Study Program Reconciliation

The Division of Human Resources in conjunction with the Payroll Department is currently reviewing and reconciling the federal workstudy student files. The information being reviewed includes the following:

- ❖ Verification of award
- ❖ Reconciliation of hours
- ❖ Time sheet audit

***Happening now!!* Smart Technology Upgrade Project Status Update**

- Additional smart projectors will be installed in three classrooms at the Mary Ellen Stempfle University Center.
- Power and data lines completed.

Look Ahead:

- A total of nine additional smart projectors will be installed at the Downtown and Ted Scott campuses.

Virtual Desktop Instructure (VDI) Team Meeting

The VDI team has weekly sessions where they collaborate, cross train, and discuss strategies to manage and maintain VDI end point devices, servers, and applications. Some topics discussed this week were: Windows 10 testing, new classroom additions at the Ted Scott Campus and Instant Clone deployment.

***Happening now!!* Service Desk Phone Feature Upgrade**

The Division of Information Technology Service Desk has implemented new phone support features to improve the callers' experience when seeking technical phone support. The new features will provide tailored call routing to match the callers' concerns to the appropriate support services and will enhance accountability.

Division of Administration and Finance

Fiscal Operations Processes

The Division of Administration and Finance and the Financial Aid Department are working diligently to complete the annual Fiscal Operations Report and Application to Participate (FISAP) report. A meticulous process is to ensure compliance for the District's Title IV funding.

Mission

WCCCD's mission is to empower individuals, businesses and communities to achieve their goals through excellent and accessible services, culturally diverse experiences and globally competitive higher education and career advancement programs.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
