Division of Educational Affairs

WCCCD MI-ACE Collaborative Professional Development Planning

District team members met to plan for upcoming professional development partnerships to be held District-wide. The District is an active member of (MI-ACE), a national professional network for women in higher education.

Science Department Training

A training session for science faculty was held at the Downtown Campus in preparation for the new microbiology textbook for Fall 2019.

Division of Educational Affairs

Distance Learning

Professional Development Blackboard Basics for Faculty Training

Denis Karic conducted the Blackboard Basics for Faculty training at the Center for Learning Technology. The training session covered basic navigation in the Blackboard interface as well as how to add, organize, and modify course content.

Distance Learning Taskforce Meeting

The District provides a variety of workshops and strategies to prepare and assist instructors who teach online courses and/or enhance their skills. Members of the Distance Learning Taskforce examined best practices and strategies to infuse in our current programming.

Division of Educational Affairs

Partnering With Job Corp for a Pathway to Healthcare

We are pleased to announce the completion of the second cohort enrolled in the Summer 2019 (C.N.A.) Certified Nursing Assistant Program from Job Corp. Students are now eligible to take the certification for the state exams; this credential will allow for gainful employment as a certified nursing assistant.

Staff at the Health Science Center celebrated Miss Myra Leverette who recently completed her associates degree at WCCCD!

Congratulations Myra!

Mission

WCCCD's mission is to empower individuals, businesses, and communities to achieve their higher education and career advancement goals through excellent, accessible, culturally diverse, and globally competitive programs and services.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
