# Division of Institutional Effectiveness

## What's Trending in IE: Learning Resource Center (LRC)

The Division of Institutional Effectiveness reviews national research to assist divisions with improving the programs and service offered to students. The Association of College and Research Libraries (ACRL) created campus-wide partnerships at institutions to promote collaborative assessment and library leadership. Below you will find some of the results from the study.

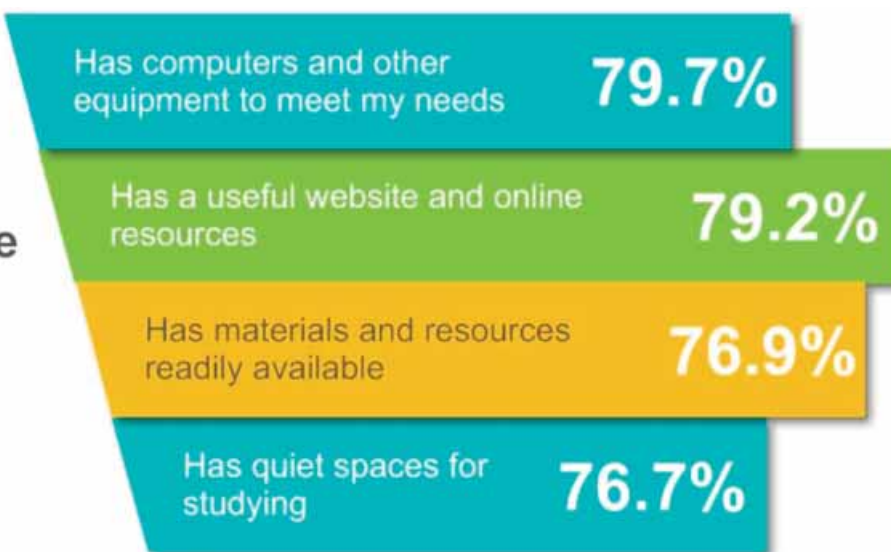

ACRL study states that academic library contributes to student learning and success

[http://www.ala.org/acrl/sites/ala.org.acrl/files/content/issues/value/findings\\_y3.pdf](http://www.ala.org/acrl/sites/ala.org.acrl/files/content/issues/value/findings_y3.pdf)

Below you will find some data points from WCCCD LRC survey conducted in Spring 2019:

In my experience, the library:  
(% Excellent/Good)

79.1% of faculties were often/sometimes incorporating the library resources/activities within their courses\*

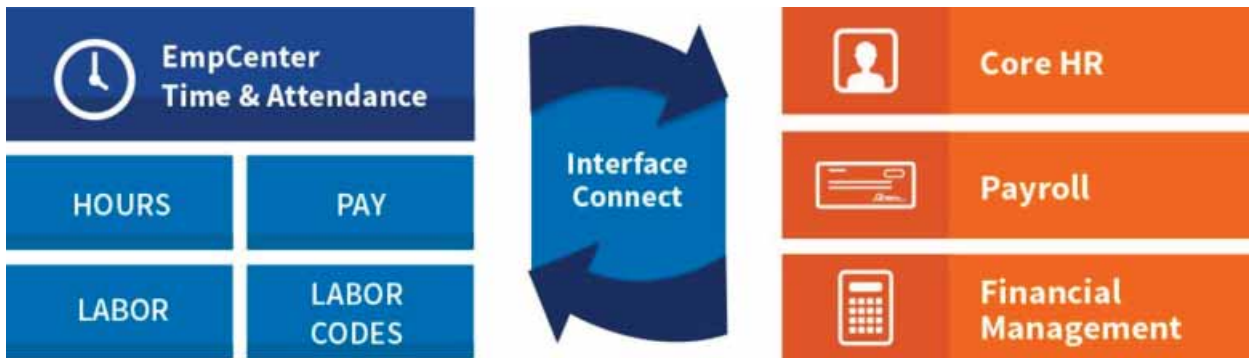

66.2% of faculties were often/sometimes incorporating the computer lab within their courses\*

# Division of Human Resources

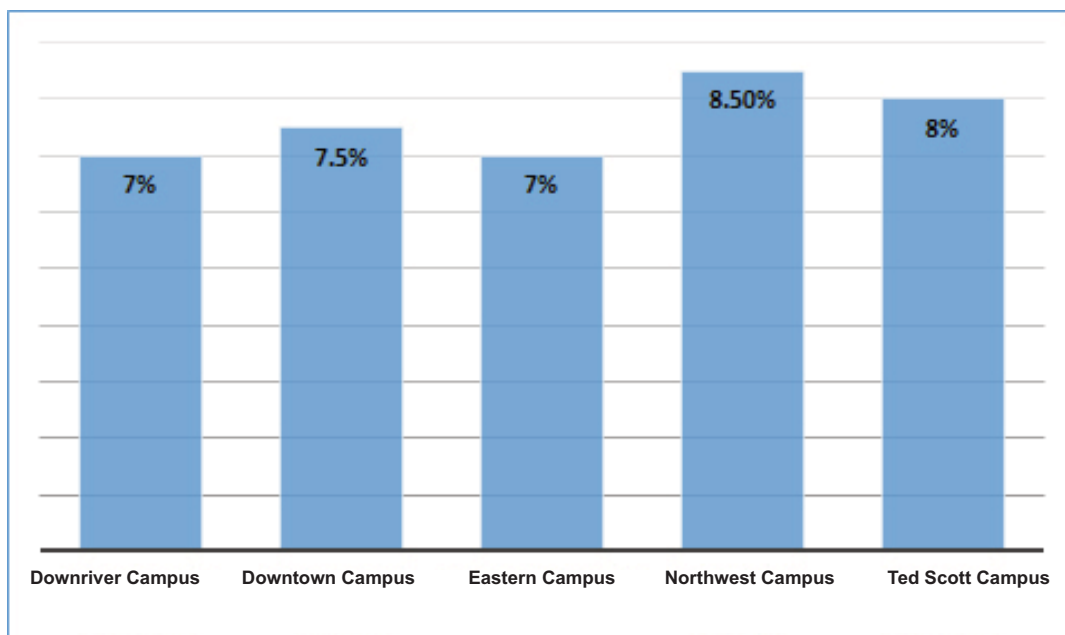

## Human Resources Compliance

In a continuous effort to assure data accuracy and reporting compliance, the Division of Human Resources, Office of Accountability and Transparency, and the Division of Administration and Finance are in the midst of reconciling and auditing all employees' leave balances for 2019.

This verification of leave data is essential in aligning the employee web-gate, general ledger and the Banner system. The Audit provides cost center managers the critical data necessary for operating their areas efficiently and effectively.
