Division of Student Services Functions

Articulation /Transfer Agreements and Course Equivalency with Colleges and Universities

WCCCD has articulation agreements in various program areas to assist students in meeting their educational goals. Articulation agreements, transfer guides and course-for-course equivalencies help students maximize the amount of transfer credits to colleges and universities.

Guided Pathways

Partnerships with colleges and universities was showcased this week. Brian Singleton and Dr. Patrick McNally met with representatives from Central Michigan University to discuss transfer strategies to four-year programs. This supports Pillar III of Guided Pathways.

Professional Development

Every week the Division of Student Services team comes together as a professional development opportunities. This week the team focused on customer service strategies and the start of Summer 2019.

Congratulations to the WCCCD Women's Basketball Team on Winning the 2019 NJCAA District H Championship

Outreach

Staff from the Division of Student Services attended the American Human Rights Council Humanitarian Awards ceremony to promote WCCCD programs and services to the community.

Admissions and Records

Student services is currently in the process of posting graduate applications for Spring 2019 graduates.

The Division of Student Services supports children at Detroit Achievement Academy, Madison Carver, Southwest Community Schools, and Henry Ford Elementary to launch the WCCCD Kids After-School Chess and Lego Robotics Program in partnership with the School Smarts program.

Recruitment

WCCCD met with representatives of GM Student Cohort program. This summer enrichment opportunity is supported by the General Motors Foundation and utilizes retired GM executives and managers to mentor 150 high school students.

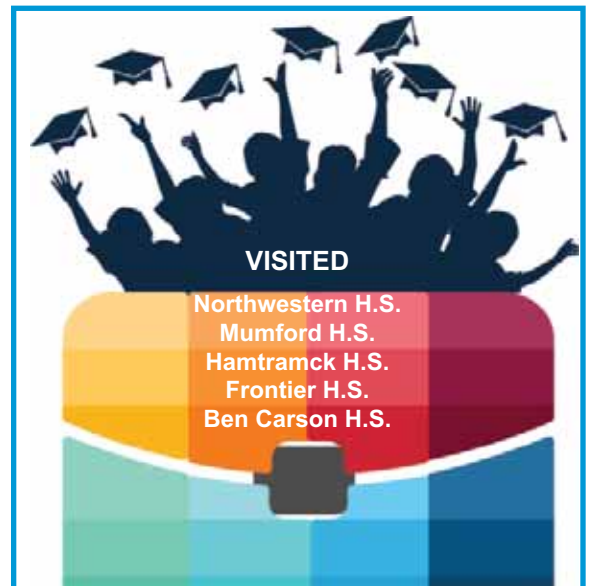

Staff attended the 2nd Annual Level Up High School Expo speaking to parents and students about the benefits of the WCCCD Dual Enrollment Program.

Considine

Mrs. Johnson, GED Instructor at Little Rock Urban Institute, assists students with the GED practice test.

Recruitment Dual Enrollment

The Downriver Campus hosted Riverview High School Dual Enrollment Workshop. Students and parents were provided information, as well as admission applications for high school students interested in participating in our Dual Enrollment Program.

Staff from the Downriver Campus visited Belleville High School Media Center on a best practice visit to better understand the needs of incoming seniors and Early Middle College students.

Bonike Odegbami and Lina Warra met with Trillium Academy High School about next year's dual enrollment students.

Anthony Arminiak, Bonike Odegbami, and Keri Wallace met with Superintendent Dr. Sarena Shivers regarding next year's Early Middle College students.

Student Success Center

Work-study Students

Federal Work-Study students learning about WCCCD programs.

International Students

Student Executive Council Officer, David Martin, created a beautiful display of awards at the Phi Theta Kappa Induction Ceremony.

Financial Aid Learning Banner 9

The District Financial Aid Office took the opportunity to introduce Banner 9 to staff. The team had a chance to see the many enhancements and demonstrations of several processes.

Trio-SSS team is working with Xuefei Qi to update the TRIO homepage on the WCCCD website.

Student Services Veterans Programs

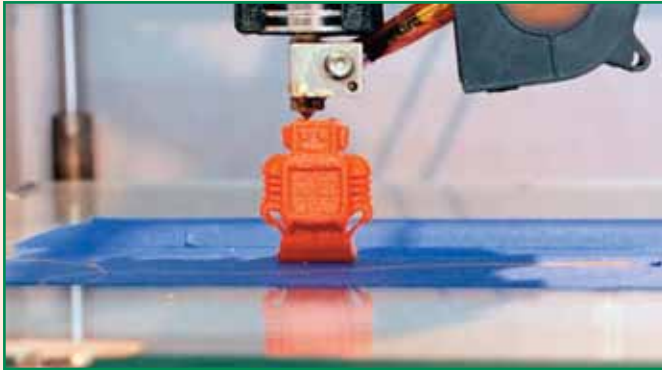

VETERANS SUCCESS ON CAMPUS:

- The WCCCD Office of Veteran Affairs understands the unique needs of military service members and is honored to present the opportunity for hands on training in numerous certificate and degree programs.
- WCCCD specializes in affordable, flexible and convenient degrees and certificate programs that allows veterans to transfer military academic course to current courses of study.
- The Office of Veteran Affairs is dedicated to supporting military veterans and their family member with a smooth transition from military to civilian life by providing endless resources to assist in that process. We have provided numbers for these resources on our website for your convenience.

Division of Educational Affairs

CAREER SPOTLIGHT: Product Development Prototype (3-D Printing)

The 3-D Prototyping courses at the District support students interested in careers in engineering, manufacturing and business. 3-D prototyping opportunities emphasize core design concepts, testing analysis, and rapid prototyping with modern graphic software, laser scanning technology, and industry standard rapid prototyping equipment.

Faculty Provide Outside Classroom Experiences

Professor Kevin Jonatzke’s PDP class toured the new Ford Advanced Manufacturing Center. This \$45 million facility has 23 different 3D printers. Students were able to meet with employees and ask questions.

Professor Peter Boykin took his African-American History One class to the Charles H. Wright Museum of African-American History. They viewed the “*And Still We Rise*” Exhibit and the traveling exhibit on Thomas Jefferson’s and Sally Hemmings.

Division of Educational Affairs

Distance Learning

Chancellor's 50th Faculty Innovations Distance Learning Taskforce

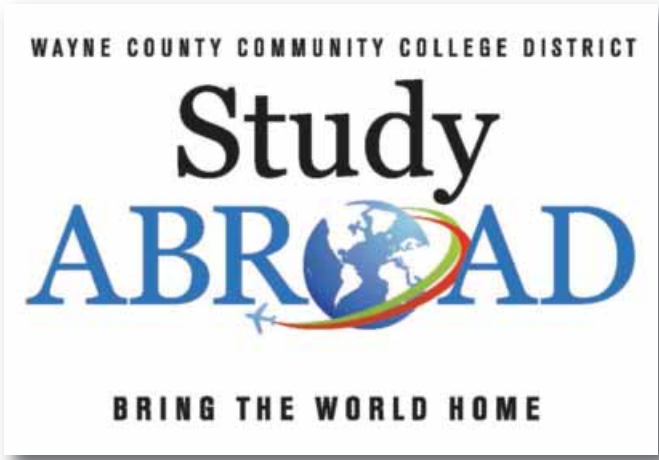

Strategic Goals:

The goals of Distance Learning are to:

- Broaden access to student resources and services
- Maintain viable academic course offerings
- Develop a culture of collective responsibility for Distance learning

Distance Learning staff are working diligently with faculty to ensure their course shells are available for the Virtual Learning and Web Enhanced courses for Summer 2019. Course shells allow faculty to develop their course materials by adding content and customizing Blackboard in advance for upcoming courses.

Potential study abroad students met with student services staff in preparation to participate in the upcoming study abroad trip to Singapore. Candidates completed applications and reviewed requirements.

Give Us a Call - We Guarantee a Response!

The District is meeting the needs of our community in a timely and responsive manner. We are committed to its Continuous Quality Improvement Initiative and strives to improve efficiency and customer service. Through VoIP technology, the District has implemented call monitoring, tracking and reporting features and has the ability to offer 24/7 hotlines to meet the demands of our students, staff and constituencies.

Daily call reports and valuable data are reviewed by the Chancellor's Executive Team to ensure calls are responded to in a professional and timely manner. From **January – March 2019**, the District's Call Center received over **18,000 calls**.

Division of Human Resources

HR: Employee Leave Balance Compliance Review

In a continuous effort to assure Data Documentation Accuracy (DDA) and reporting compliance, the Division of Human Resources are in the midst of reconciling and auditing all employees' leave balances for the fiscal year ended 2018-19. This verification of leave data is essential in aligning the employee web-gate, general ledger and the Banner system.

- New Visitors – 63%
- Average Session Duration – 3:52 Minutes

Tech Tip

Staring into a screen for extended periods of time can cause “computer vision syndrome.” You’re probably familiar with the symptoms: strained, dry eyes, blurred vision, and headaches. Poor posture can also cause neck and shoulder pain. To avoid this, take a 5 minute break every hour from your screen as you’re working.

Mission

WCCCD's mission is to empower individuals, businesses, and communities to achieve their higher education and career advancement goals through excellent, accessible, culturally diverse, and globally competitive programs and services.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
