## Transfer Programs

Now is the time for students considering transferring to prepare to transition into the next step of their college career and life planning. Tips for students interested in transfer programs include:

1. Go to an orientation
2. Visit the on-campus library
3. Consider a transfer scholarship

## Transfer Courses and Agreements

We have three different type of transfer options with four-year schools. When followed, these plans ensure a seamless transfer process.

**Articulation Agreements** - These plans provide for the transfer of an entire prescribed program of study.

**Transfer Agreements** - These plans are guides for courses to be taken at WCCCD before transfer.

**Transfer Course Equivalencies** - Aligns courses with those at the four- year school.

**MTA** - The Michigan Transfer agreement (MTA) is a statewide agreement that provides for the transfer of 30 semester credits to meet many (and in some cases all) of the General education requirements at participating Michigan four-year colleges and universities.

## Spring 2020 Textbook Reviews

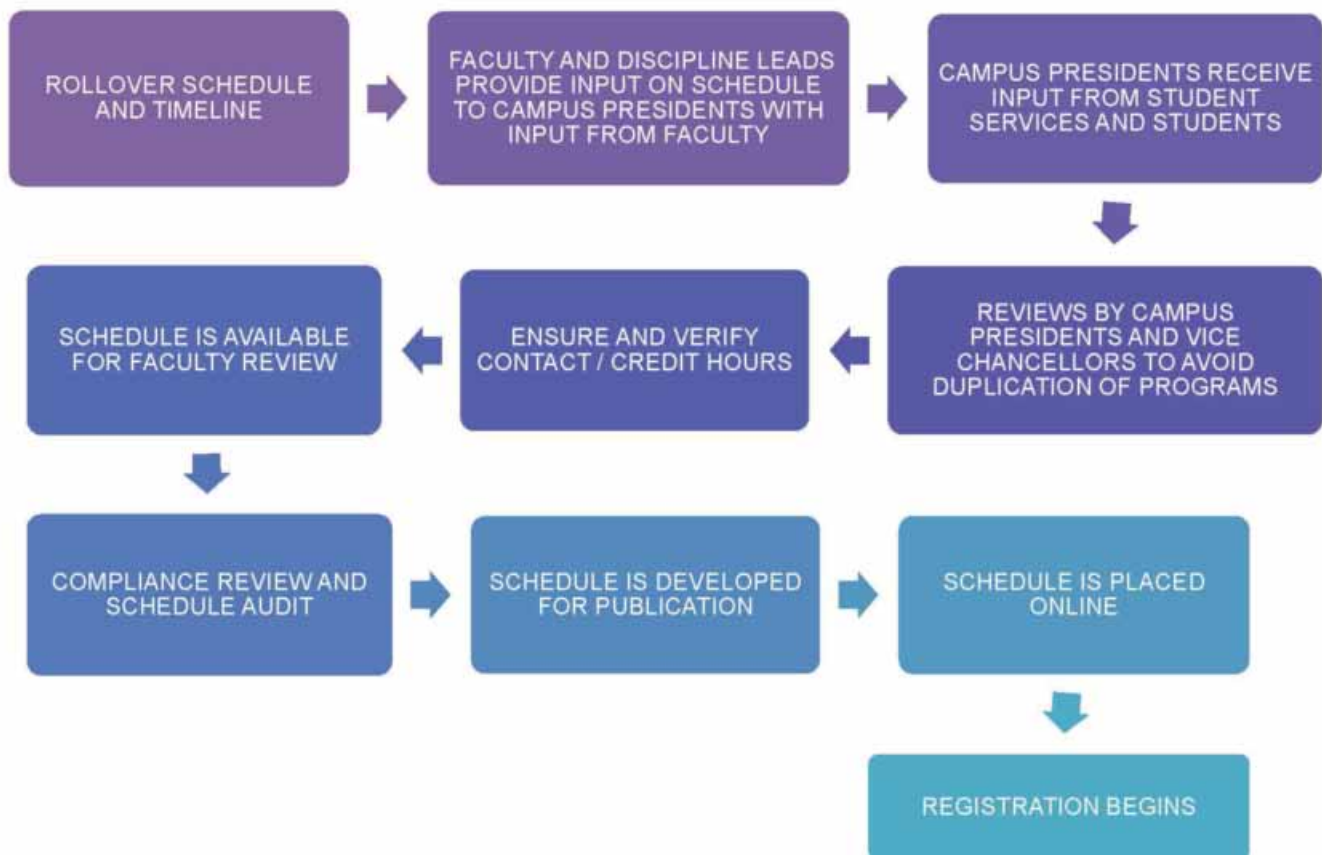

Textbooks are reviewed every two years for any updates and/or changes that faculty recommend. Faculty within a given discipline conduct a review and complete a rubric on their findings. Important factors considered within the textbook review process are:

- Publication dates and outdated materials
- Possible edition updates
- Publisher availability/customer service modifications
- Alternative price and format options

## Schedule Development Process

Each semester the Division of Educational Affairs works with various other divisions and campuses in the development of the academic schedule. Currently, we are in the final stages of developing the Spring 2020 schedule which will be finalized within the next few days.
