Dear Wayne County Community College District,

I would like to extend this congratulatory letter to your program for receiving the 2019 Governor's Service Award as an Education Service Leader.

It is highly inspiring to see all that you contribute to our Detroit community. Thank you for striving to support our youth by increasing their opportunity to pursue a higher education. Your collective dedication to creating programs such as The Lawn Academy is extremely moving. I applaud your successful efforts and look forward to the many ways that you will continue to serve our youth.

Again, congratulations to the faculty and staff of the Wayne County Community College District for your community contribution and well-deserved 2019 Governor's Service Award.

Very truly yours,

The Honorable Joe Tate

State of Michigan House of Representatives District 2

We received this note from the Executive Director of the Racing for the Kids to the Hill fundraiser in Grosse Pointe:

"The 13th Annual Racing for the Kids to the Hill was even more exciting and popular that we had hoped for and we want to thank you for all you did to help make it a remarkable success!"

Taylor, MI 48180

Dear Dr. Ivery:

The Commission on Accreditation of Allied Health Education Programs (CAAHEP) is pleased to inform you of its vote on **September 20, 2019** to award **continuing accreditation** to the Emergency Medical Services - Paramedic program at Wayne County Community College-Downriver Campus, Taylor, MI.

The recent peer review conducted by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoA EMSP) and CAAHEP's Board of Directors recognizes the program's substantial compliance with the nationally established accreditation Standards. The next comprehensive evaluation of the program, including an on-site review, is scheduled to occur no later than **2024**.

The CoA EMSP will regularly monitor the program's compliance with the outcomes assessment thresholds through the program's Annual Report as well as other documentation that may be requested (Standard IV.B.).

In order to comply with the need for public disclosure, CAAHEP publishes on its website the accreditation award letters and accreditation actions summaries. Award letters can be found within individual program listings in the "Find An Accredited Program" section of the CAAHEP website. Accreditation actions summaries include a list of actions taken at each meeting, including accreditation statuses awarded and dates of the next reviews/comprehensive evaluations. Summaries can be found by clicking the "Recent Accreditation Actions" link on the home page of the CAAHEP website.

The accreditation standards are established by CAAHEP, CoA EMSP, American Academy of Pediatrics (AAP), American Ambulance Association (AAA), American College of Cardiology (ACC), American College of Emergency Physicians (ACEP), American College of Osteopathic Emergency Physicians (ACOEP), American College of Surgeons (ACS), American Society of Anesthesiologists (ASA), International Association of Fire Chiefs (IAFC), International Association of Fire Fighters (IAFF), National Association of Emergency Medical Technicians (NAEMT), National Association of State EMS Officials (NASEMSO), National Registry of Emergency Medical Technicians (NREMT), National Association of EMS Physicians (NAEMSP), and the National Association of EMS Educators (NAEMSE).

The commission commends you and your colleagues for your commitment to continuous quality improvement in education, as demonstrated by your participation in program accreditation.

Sincerely,

HR Dashboard: Employee Data Analytics

Data analytics is the practice of using data to drive the institution's strategy and performance. It includes a range of approaches and solutions, from looking backward to evaluate what happened in the past to looking forward for scenario planning and predictive modeling. Analytics are extremely useful for understanding and adapting to the changing needs and demands. The following graphs are a sample of data analytics utilized by the Division of Human Resource as part of the on-going District alignment process.
