State of Michigan to Expand High Speed Internet Access

Lieutenant Governor Garlin Gilchrist and National Telecommunications and Information Administration held a press conference to announce Michigan receiving approximately \$5 billion to expand high speed internet access across the state, particularly in underserved areas.

Division of Student Services

Helping our Community

Students from the Student Executive Council, Phi Theta Kappa and Federal Work Study Program teamed up to provide needed items for the homeless. Donation boxes for hygiene and toiletry items were created and placed at each campus. Staff worked with students to pack the bags and prepare them for distribution.

Mission

WCCCD's mission is to empower individuals, businesses, and communities to achieve their higher education and career advancement goals through excellent, accessible, culturally diverse, and globally competitive programs and services.

Vision Statement

WCCCD will be known as a premier community college and innovator in the areas of high quality academic and career education, talent development in support of regional economic growth, diversity and inclusion, and technological advancement.

WCCCD's Values Statements:

- Supporting excellence in teaching and learning
- Honoring diversity
- Serving the common good
- Being accountable
- Operating with integrity
