## Professional Development The District MI-ACE Collaborative

The Michigan American Council on Education (MI-ACE) is an affiliate of the national ACE and, is the professional network for Michigan women in higher education. The District MI-ACE Collaborative represents women in leadership throughout our multi-campus district with representatives from each campus and district administration. WCCCD is a sponsor with major contributions in support of professional development activities including preparation's for a panel session at the annual conference in June.

Dr. Yvette McElroy Anderson participated in the ACE Women's Network Public Policy Committee Meeting. The agenda included preparation for the Public Policy Plenary Session Luncheon for the upcoming MI-ACE Women's Network Conference.

## Follett ACCESS Pilot Program Launches this Fall!

Ten courses/sections will be included in a Fall 2022 pilot program demonstrating a new approach to acquiring course materials.

Follett has negotiated a significantly lower group price for students within these courses. Students participating in the pilot program will be offered the opportunity to partake in the program immediately following registration.

## FALL 2022 Schedule Management

Now that registration is active and ongoing for the FALL 2022 semester, the Division of Educational Affairs moves from a schedule development mindset to a schedule management approach. This change allows us to monitor enrollment patterns District-wide and, if needed, add additional course sections quickly. The schedule has been created for maximum flexibility and rapid response to changing enrollment as well as health safety dynamics. Schedule management is a daily task for the Educational Affairs team.

## Website Redesign Taskforce

### Catalog Management System

Members of the Division of Educational Affairs and Website Redesign Taskforce met with Digarc to begin the final review process for the Acalog catalogue management system that will be part of the redesigned website. All catalog content has been entered into the database and the Gateway customization is complete. Next steps include auditing the catalog for content and structure and reviewing the template look and feel to ensure congruency with the new website design.

### Content Migration

The Website Redesign Taskforce continues to meet with the campuses and divisions to review and edit content in their respective areas in preparation for content migration to the new website.

## Division of Human Resources

### HR Compliance: Fiscal Year-End Assignment Audit

In preparation of the 2021/2022-year end activities, the Division of Human Resources is working closely with the Divisions of Information Technology and Payroll to ensure that all employee assignments are “rolled over” to the new budgeted fiscal year accurately.

The team is also reviewing Staff assignments, job description, qualifications, training and professional development requirements in addition to the following:

- *Staff Performance Evaluations 2021-22*
- *Reviewing Pathways Contract Renewals*
- *Personnel File Organization*
- *Reviewing District Staffing Alignment*
- *Credential and Background Checks*
- *Ensuring Compliance with Department of Labor and other related agencies.*
