GLOBAL SPEAKER SERIES

Team members discuss and plan Black History Month activities for the 2023 Spring semester.

TRIO

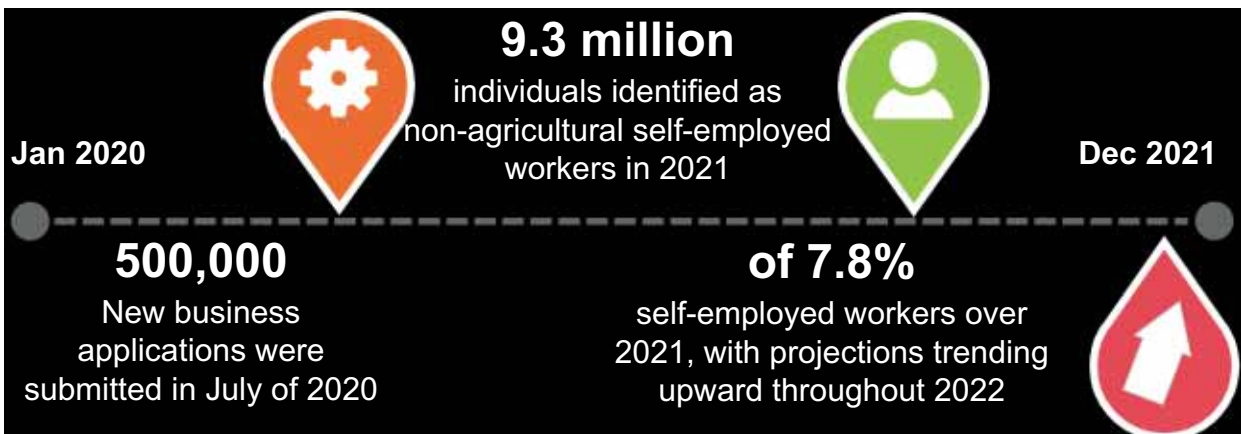

Yolanda Russell shares information about the WCCCD Trio program to students in a Speech 101 class.

Institutional Effectiveness

What's Trending: Self-Employment

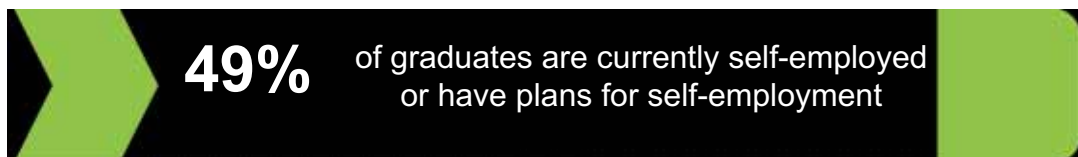

The Division of Institutional Effectiveness (IE) reviews national, state, and local research trends to assist divisions with improving the programs and services offered to WCCCD students. In a recent article, Forbes mentioned self-employment is becoming a more favorable prospect than conventional choices in the current economic climate. This shift and others represent ways aspiring and startup business owners are reshaping the face of entrepreneurship.

Mission

WCCCD's mission is to empower individuals, businesses, and communities to achieve their higher education and career advancement goals through excellent, accessible, culturally diverse, and globally competitive programs and services.

Vision Statement

WCCCD will be known as a premier community college and innovator in the areas of high quality academic and career education, talent development in support of regional economic growth, diversity and inclusion, and technological advancement.

WCCCD's Values Statements:

- Supporting excellence in teaching and learning
- Honoring diversity
- Serving the common good
- Being accountable
- Operating with integrity
