

WCCCD and WSU Partner to Provide Transfer Pathways

We are proud to announce a new partnership with Wayne State University (WSU) which will offer transfer students a seamless path to their bachelor's degree. The new Transfer Pathways Agreement maximizes the credits students earn while completing an associate degree at WCCCD and transferring to WSU to complete a bachelor's degree, helping students limit their potential loss of credits and save both time and tuition dollars. The agreement goes into effect in the fall of 2023.
